

DANES HILL SCHOOL

Dear Parents

SOCS Co-Curricular Portal

At Danes Hill we use the platform, SOCS (School Online Communication System), to manage our extra-curricular programme from sign-up to the registering of attendance for activities/clubs (Years 1-8) and to view fixtures (Years 3-8) and, from the Autumn Term, for the school calendar for the whole school.

We would therefore encourage you to activate your account if you have not already done so.

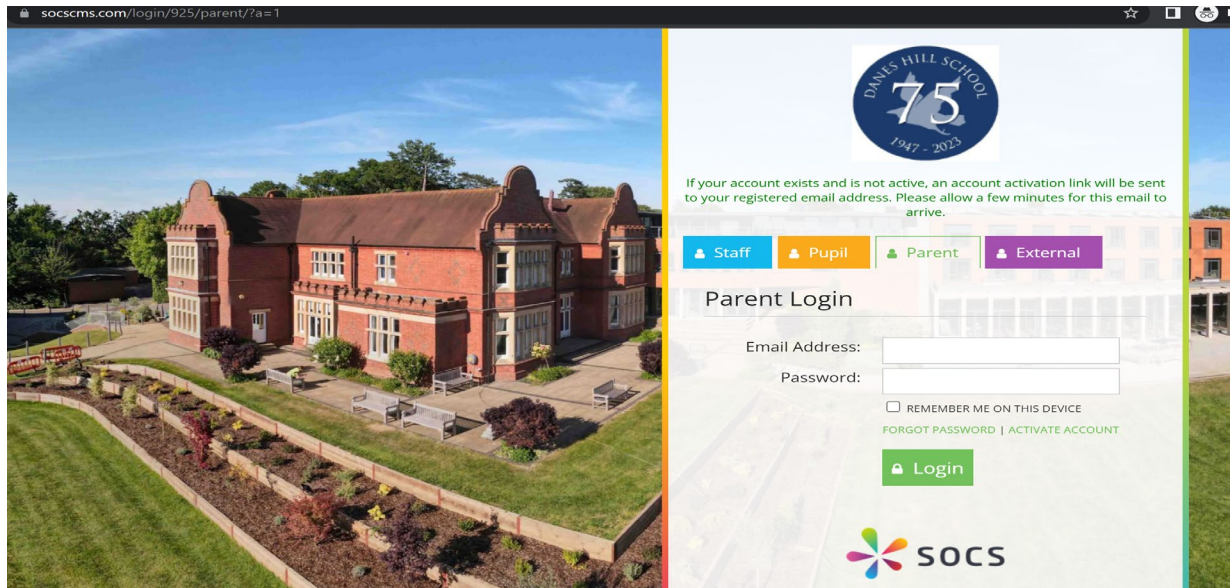

Parent login: To log in to SOCS, you will need to activate your account.

Please follow the steps below:

- Access the SOCS login page for Danes Hill on the following link: <https://www.socscms.com/login/925>

- Select the 'Parent' tab.

- Select 'Activate Account' as indicated on the second screenshot
- Enter the email address you, as the parent, have registered with the school, and then select 'Activate'.
- An email will then be sent to your email address containing an activation link where you can set a password. Once you have followed the instructions on the link, you should then be able to login using your email address as the username and your password.
- Please check your Spam/Junk folder for the email and add the following email addresses 'noreply@misocs.com' and 'parents@misocs.com' to your safe senders list.

If you any problems or issues, please feel free to contact me directly:
